Hannah House

Hunnyhill, Newport PO30 5HN

We provide safe accommodation for adults with mental health problems who have a continuing need for support.

Support staff managed by a team leader from Outreach Services provide support throughout the week. Out of hours, residents can call the community alarm emergency service using buttons installed in their flats.

Residents are encouraged to be as independent as possible, but can be assisted with budgeting, form-filling, social and daily living skills. Staff organise activities such as coffee mornings.

Hannah House is situated a short distance away from the town centre, doctors, churches and the library.

We welcome residents from all sections of the community.

Call Care and Supporting Independence on **01983 522 479** option 1, then option 2.

How to get there

Road Hannah House is situated close to the Newport town centre.

Schemes for adults with mental health problems

Southern Housing Group provides accommodation with shared facilities for more than 60 adults with mental health problems, at four locations on the Isle of Wight.

To be offered a place, a prospective resident must be referred to the scheme by one of our partner agencies, such as social services or the NHS, before being assessed.

Residents sign up to an occupancy agreement and work with us to draw up a plan of the support they will receive while living at the scheme.

We provide support staff who visit the scheme throughout the week. Their job is to:

- help residents manage their occupancy agreements
- promote independence
- encourage personal safety
- help residents manage their finances, including claiming benefits and paying their rent
- improve residents' domestic and social skills
- work to find permanent homes for residents to move on to
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.
