Dear Sirs

LETTER TO ALL OWNERS EMPIRE SQUARE – SOUTH & WEST

Further to our confirmation letter that South and West have been invited to apply for the building safety fund we write to provide an update.

We remain keen to continue progress this as quickly as we can, it is important to remember this remains a complex process, with different stakeholders.

We are continuing to liaise with Marlin who have offered to assist with the next steps due. This is to identify the actual remediation works required and to form the design and build process. We are working with Marlin to identify contractors that can discuss the next steps needed.

We completely understand how difficult the uncertainty of this situation is for you and we appreciate your patience during this time. We will be writing to you again shortly with further details of the next steps, but should you have any questions in the meantime, please do contact our team on buildingsafety@firstport.co.uk

Yours sincerely,

Anna Scott AIRPM
Building Safety Liaison Manager
